Declaration

The Sequal Trust has teamed up with Justgiving.com, the UK's leading online fundraising website, which allows us to raise funds online.

Using Justgiving helps reduce our paper and postage costs and eases our administration burden, so going online is by far the most efficient way of supporting us.

Fundraising pages are just like paper sponsorship forms, except they're online - pages can be personalised with photos and details of our current fundraising campaigns and interested parties can then make a donation via this site.

The same also applies to our own website where we may not only include current fundraising campaigns but also letters and photos pertaining to past successful cases.

If you are in agreement then please sign the form as below and return it with your application forms.

I wish my details to be included on The Sequal Trust website.
